I. ANNOTATION

This Business French module is designed to respond to the students' needs to progress in their Business studies or related degree programs. The course objectives are to introduce students to the main areas of Business French and improve their overall linguistic fluency. During the course students build up confidence and develop their skills by a variety of practical tasks which include: reading and discussing authentic articles on a wide range of business topics; learning essential business vocabulary; listening to authentic interviews and lectures and developing note-taking skills; they take part in meetings, role-plays, prepare presentations, have the opportunity to understand how business works in different cultures, etc. By course completion students must be able to understand, summarize, interpret a variety of business data, and present it accordingly; express opinions on different business issues; write business letters; use French in different social situations such as telephoning, networking, negotiating, etc. Students master a whole repertoire of different skills which are necessary to participate in an increasingly international work environment.
