I. ANNOTATION

This Business German module is designed to respond to the students' needs to progress in their Business studies. The course introduces some main areas of Business German and improves students' overall linguistic fluency. Students build up confidence and develop their reading, writing, listening and speaking skills by a variety of practical tasks which include: reading and discussing authentic articles on a wide range of business topics; learning essential business vocabulary; expressing opinions on different business issues; listening to authentic interviews or lectures and developing note-taking skills; developing strategies for telephoning, networking; having the opportunity to understand how business works in different cultures, etc.
