

# Инструкции за изтегляне на продукти от Portal Azure

Влизате в портала с институционалният си Microsoft акаунт.

В секция **Education -> Overview -> Learning resources -> Software**

Ако не виждате софтуерите е необходимо да премените през процес на верификация.

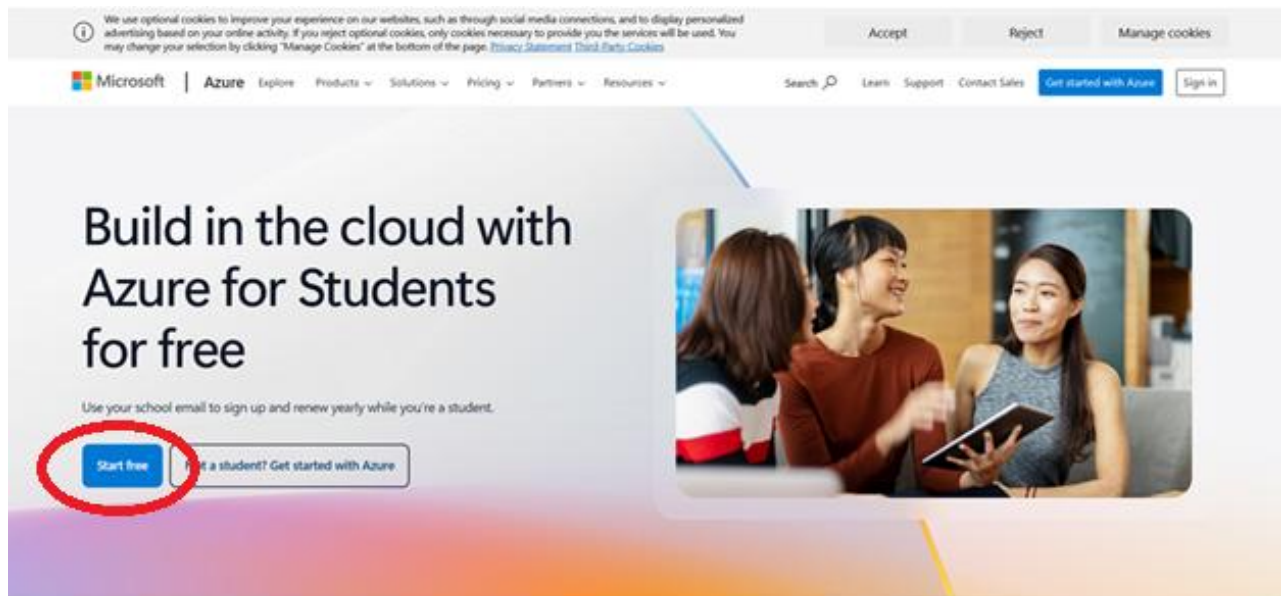

Кликнете на бутон “ Get free software by **signing up for Azure for Students.**

The screenshot shows the Microsoft Azure Education Software page. A red circle highlights a notification banner that says "Get free software by signing up for Azure for Students. Learn more." The page includes a search bar, filters for product category, operating system, system type, and product language, and a table with 0 items.

## Learn more.”

В новият портал , където Ви пренасочва избирате синият бутон „**Start free**

The screenshot shows the Microsoft Azure for Students landing page. The main heading is "Build in the cloud with Azure for Students for free". Below it, there is a button labeled "Start free" circled in red, and a link "If you're a student? Get started with Azure".

## Следвайте стъпките по Верификация на акаунта Ви.

### Academic Verification

Start by entering your name as per the school records. Select your school's country and enter your school's name. Enter your date of birth as per the school records.

First name

Last name

Country  
Bulgaria

If your country is not listed, the error message will appear. [Click here](#) for more information.

School name  
Икономически университет - Варна (Varna, Varna Varna Province)

School name will help prove your identity. With additional information for verification purposes, please enter it here.

Date of birth

School email address  
@ue-varna.bg или \_\_@students.ue-varna.bg

Verification complete!  
6621864793270386.2860775105

Verify academic status

Попълвайте данните си и на Вторият екран и натиснете бутона “**Sign up**”

### Your profile

Country/Region 

Bulgaria 

Choose the location that matches your billing address. **You cannot change this selection later.** If your country is not listed, the offer is not available in your region. [Learn More](#)

## Пример за изтегляне на Access 2021:

Намирате в търсачката софтуера който Ви е необходим (например Access)

След това изтегляте от синият бутон **“Download”**

The screenshot shows the Microsoft Azure Education Software portal with the search results for "Access 2021". The search bar contains the text "access". Below the search bar, there is a table of software items with columns for Name, Product category, Operating System, and System type. The table lists two items: Access 2016 and Access 2021. The Access 2021 item is highlighted. To the right of the table, there is a detailed view of the Access 2021 software, including its description, operating system, and product language. At the bottom of the detailed view, there is a blue button labeled "Download" and a grey button labeled "Cancel". The "Download" button is circled in red.

Name	Product category	Operating System	System type
Access 2016	Database	Windows	64 bit
Access 2021	Database	Windows	64 bit

**Access 2021**  
Access 2021 lets you build and share a database in seconds. You supply the information and Access does the rest, making it easy to create and structure your data. Reports and queries put your data into the format you want, so your applications consistently look great. For system requirements, please view: <http://www.office.com/systemrequirements>

**Operating System**  
Windows

**Product language**  
English

**System**  
64 bit

[View Key](#)

[Help improve this page](#)

[Download](#) [Cancel](#)

Инсталирате на устройството си от файла **Setup.exe** и при първоначално стартиране активирате с продуктов ключ, който Ви е предоставен в портала и се визуализира при натискането на бутона **View Key**.

The screenshot shows the Microsoft Office 365 Software portal. On the left, there is a search bar with 'access' entered and filters for 'Product category: All', 'Operating System: All', and 'System type: 64 bit'. Below the search results, a table lists two items:

Name	Product category	Operating System	System type
Access 2016	Database	Windows	64 bit
Access 2021	Database	Windows	64 bit

On the right, the details for 'Access 2021' are shown, including a description, system requirements, and a 'View Key' button circled in red. Below the details are 'Download' and 'Cancel' buttons.

The screenshot shows the Microsoft Access application interface. The main window displays a 'Good morning' greeting and a 'New' section with various database templates. A dialog box titled 'Enter your product key' is overlaid on the screen, prompting the user to enter an Office product key. The dialog box includes a search icon, a text input field, and a 'Back' button.
